
WHY GIVE TO THE CHURCH?

The Bible reminds us how incredibly generous God is. He even gave his son to save us. (John 3:16). In light of this, we are called to be generous with our time, our talents and our money in order that more people would hear the gospel and believe in Jesus. Regular giving of our money, or tithes and offerings as it is often called, is used for the support and work of the church. Many of our members give directly from their bank accounts by Standing Order. If you would like to start giving regularly, please use the details below to set up a Standing Order, or use the account details to make donations when it suits you.

Whilst this leaflet is primarily about financial giving to The Community Church's general fund, we would also like to encourage you to participate in our regular Gift Days. These usually take place in the spring and autumn and provide opportunities for one off gifts to various projects that the church is involved in such as Social Action projects, building needs and our partnership with friends overseas.

If you are a UK tax payer then please read the information opposite and fill in the Gift Aid form on the back of this leaflet. This allows the church to recover the tax you have paid without any cost to yourself.
