SATELLITES 2026

What you need to know

Satellites 2026

Hi all,

Firstly, Satellites 2026 is going to be GREAT, we are all so excited to be heading off to Bath and West Showground in just a few weeks to have fun, connect with God and be together (HOPEFULLY IN THE SUNSHINE).

Secondly, this booklet should provide most of the information you need, so look after it as much as you would look after your phone and please don't lose it.

You will also find a kit list, code of conduct and some information about who is coming from our team to help you and keep you safe.

A typical day at Satellites

From 8am

Breakfast and morning jobs (please shower).

09:45

Optional morning ORBIT session (bible study)

11:00

Main morning meeting all together

12:30

Lunch

13:00 - 16:45

Afternoon fun and exploring then head back to camp for dinner

17:00

Dinner and evening rota

19:00

Evening meeting

20:45

Evening events and fun or time to shower and wind down at camp!

23:00

23:30

Lights out and everyone in bed

We will be going to the morning and evening meetings together as a group but at other times we are happy for you to go around the site to find sports, craft and various fun activities without us leaders cramping your style (unless you want us to of course)!

Meet the YOUTH LEADERS

Dan and Rebecca Bates

Hopefully most of you know me (Rebecca) but I am here this week with my husband Dan, and our three loving children! We are always happy for a chat, a joke and will always be willing to pray with you. You'll often see us around early in the morning, finding coffee!

Christian and Louise Withers

Hey, I'm Christian! This is my second year at Satellites, and after having such a brilliant time last year, I couldn't wait to come back. I'm here with my wife and two excitable kids (aged 10 and 8). I'm a scientist by day, so asking questions is pretty much part of my job — which means I love exploring big questions about faith too. I'm a fan of cheese, Plymouth Argyle, and most of all, Jesus.

Lloyd Batten

Weighing in at 178lbs
Fighting out of Honiton, Devon
The breakfast fasting, music blasting
Fastest gun in the south west
Never fails a test, needs no rest
God blessed

Meet the YOUTH LEADERS

Olly Davey

Trees, bikes, music. I am happiest outdoors or at home with my lovely wife, two teenage boys and our array of animals! Looking forward to lots of action, times of worship and great adventures with God!

Aaron Ware

38-year-old primary school teacher in Devon with my wife and three children. Originally from Twickenham. Passionate about rugby, fantasy novels, board games (collection of 100+), and computer games. I'm drawn to anything combining creativity, storytelling, and friendly competition, both in entertainment and in my work helping young minds develop.

Nathanael Heming

Hi I am Nathanael and I play drums, love football and have an interest in cars. Please ask me about any of these as I could chat forever about them (I take after my mother). I also enjoy praying and supporting others in faith where I can. I am always up for deep discussion and heavy topics so hit me with these too!

Meet the **CATERING TEAM**

Jenny Birks

Hi, I'm Jenny.

I'm married to Adrian and we have 3 married children and 5 grandchildren. I enjoy walking and cooking for friends and family

Sarah Crone

Hi I'm Sarah

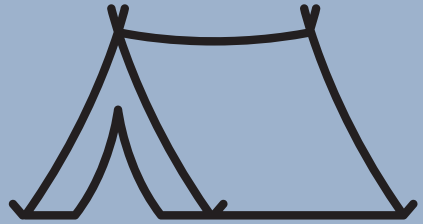

I enjoy walking my dog Bertie with my husband Tim, baking and reading. I have 3 daughters and I am looking forward to my first grandchild in the Autumn
